# 2022 International Conference on Mechatronics and Mechanical Engineering (ICMME2022) Invitation Letter

*Xi'an, China April 28-29, 2022*

To whom it may concern,

2022 International Conference on Mechatronics and Mechanical Engineering (ICMME2022) aims to gather professors, researchers, scholars and industrial pioneers all over the world to present and exchange past experiences, new advances and research results in the field of mechanical engineering & design and mechatronics technology. The conference is to be held in Xi'an, China during April 28-29, 2022. It will be hosted by International Association of Applied Science and Technology (IAAST).

The congress provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

Herewith, on behalf of Organization Committee of ICMME2022, we are pleased to invite:
